# PES 2018 Pediatric Endocrinology Clinical Update and Case Discussion Course

Friday, May 4, 2018 - Toronto, Canada

## New Course information!

*Want a chance to update your clinical knowledge, earn CME, and bring your cases for discussion with colleagues and leaders in pediatric endocrinology?*

The PES Pediatric Endocrinology Clinical Update and Case Discussion Course will highlight clinical challenges encountered in Pediatric Endocrinology practice and provide an opportunity for extended discussion of patient cases with peers and experts in the field. The course will feature both interactive didactic sessions and dialog between attendees and experts so that attendees may share their own challenging cases.

## Program/Event Description

The goal of the Course is to address areas and “hot topics” of Pediatric Endocrinology that offer clinicians the greatest challenges, including disorders of gender identity, fertility and hormonal dysfunction in youth survivors of cancer, diabetes/obesity including new options for treatment of type 2 diabetes, endocrine genetics. The course will emphasize newer therapies that have recently become available, as well as therapies on the horizon.

## Objectives of the Program

The course will provide a comprehensive review of Pediatric Endocrinology where the learner will be able to:

1. Discuss the newest diagnostic techniques for many endocrine disorders of childhood
2. Describe the newest management techniques for an array of endocrine disorders
3. Implement changes in medical practice based upon new knowledge of treatment and evaluation of pediatric endocrine disorders.

## Target Audience

Pediatric and Adult Endocrinologists, and other physicians, and allied health professionals interested in a rigorous and cutting edge update in Pediatric Endocrinology as well as in-depth challenging case discussions.

## Location/Hotel

The course will be one day (Friday, May 4, 2018) in Toronto, Canada immediately prior to the Annual PES/PAS meeting and will take place at the **Westin Harbour Castle Hotel** located at 1 Harbour Square, Toronto, ON M5J 1A6, Canada. To take advantage of the PAS convention hotel rates you must book your room separately through the PAS website: [www.pas-meeting.org](http://www.pas-meeting.org).

## Accreditation Statement - Physicians

JOINT ACCREDITATION  
INTERPROFESSIONAL CONTINUING EDUCATION

Learners must complete an evaluation to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your board requirement.

## Credit Designation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Pediatric Endocrine Society. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Credit Designation Statement – Amedco LLC designates this live activity for a maximum of **7.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Education Council – Course Committee

Craig Taplin, MD, *Seattle Children's Hospital* – **Course Chair**  
Selma Feldman Witchel, MD, *Children's Hospital of Pittsburgh* – **Education Council Chair**  
Philip Zeitler, MD, PhD, *Children's Hospital Colorado* – **Board Liaison**  
Jennifer Barker, MD, *University of Colorado* ~ Linda Anne DiMeglio, MD, MPH, *Riley Hospital for Children*  
Adda Grimberg, MD, *The Children's Hospital of Philadelphia* ~ Todd Nebesio, MD, FAAP, *Riley Hospital for Children*  
Takara Stanley, MD, *Massachusetts General Hospital*
