Board Review Course

**TUESDAY, MAY 2 -
THURSDAY, MAY 4**

**SHERATON SAN DIEGO HOTEL & MARINA
SAN DEIGO, CA**

The Board Review Course is offered every two years by the Pediatric Endocrine Society to provide targeted preparation for the Pediatric Endocrinology Boards and the Pediatric Endocrinology Recertification Exam. It is also an intensive review of Pediatric Endocrinology for Pediatricians and Adult Endocrinologists.

Course Information

This unique event is offered by the Pediatric Endocrine Society to provide targeted preparation for the Pediatric Endocrinology Boards and the Pediatric Endocrinology Recertification Exam. It is also an intensive review of Pediatric Endocrinology for Pediatricians and Adult Endocrinologists.

Program/Event Description

The Pediatric Endocrinology Board Review 2023 offers both general review and targeted test preparation for certification/recertification in pediatric endocrinology. The course utilizes formal didactic sessions, as well as informal question/answer opportunities and social interactions with educational leaders in the field.

Objectives of the Program

- Provide a framework for ongoing independent learning for individuals preparing for certification and recertification in Pediatric Endocrinology.
- Offer a structured didactic and interactive educational experience in Pediatric Endocrinology for other interested physicians, including pediatric endocrinologists who will not immediately be preparing for a recertification exam, adult endocrinologists and general pediatricians who desire an intensive update in pediatric endocrinology.

Target Audience

Any physician preparing for the Pediatric Endocrine Boards or looking for a review of Pediatric Endocrine topics.

Course Schedule

The Course will begin with Registration on Tuesday, May 2 at 12:00pm. The first session will begin at 1:00pm. The Course will consist of individual sessions, followed by a panel discussion, and audience participation questions. The course will conclude by 12:00pm, Thursday, May 4.
