President's Welcome

Dear Colleagues and Friends,

On behalf of the Pediatric Endocrine Society, I am delighted to extend a very sincere invitation for you to join us for the momentous occasion of our inaugural independent, in person, scientific meeting which will take place from May 5-8, 2023 in sunny San Diego, California.

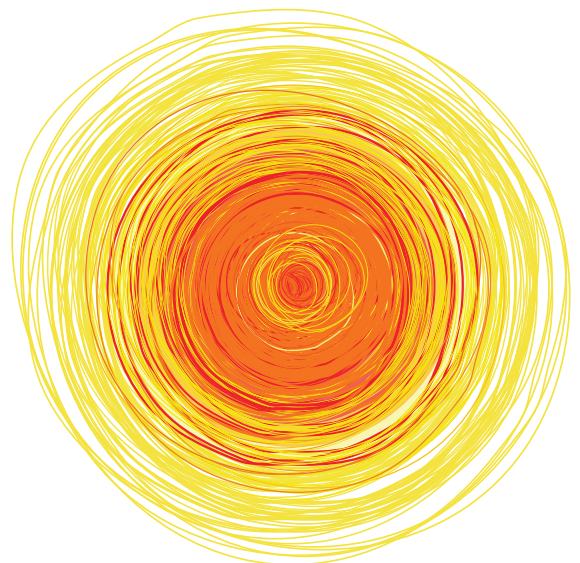

This historic event will be exclusively devoted to Pediatric Endocrinology and will feature a stunning array of plenary lectures, symposia, meet the professor sessions, spark sessions and more. We look forward to bringing together an impressive number of clinicians, researchers, and trainees for an invigorating exchange of ideas and new knowledge that spans the breadth of our diverse specialty. We would be honored to have you participate in what promises to be an intellectually stimulating and exciting event.

Join us in San Diego and be a part of history in the making as pediatric endocrinologists come together for our eagerly anticipated "SOLO" PES meeting! We look forward to seeing you there!

Sincerely,

Craig A. Alter MD

Craig Alter, MD
President, Pediatric Endocrine Society

Please Join Us

The Pediatric Endocrine Society (PES) invites you to participate in the 2023 Annual Meeting: *Discover, Innovate, Connect*, which will be held May 5-8 at the San Diego Sheraton Hotel & Marina, San Diego, CA. The 2023 Annual Meeting appeals to all individuals interested in advancing and promoting the endocrine health and well-being of children and adolescents.

2023 ANNUAL MEETING OBJECTIVES

- 1) Identify novel diagnostic and therapeutic tools available for optimizing care of children with diabetes and endocrinologic disorders.
- 2) Highlight scientific discoveries and clinical updates necessary for pediatric endocrinologists to provide evidence-based comprehensive care.
- 3) Gain insight into the changing landscape of clinical practice, career development, and professional advancement.

WHO SHOULD ATTEND

PES members, other endocrine researchers, faculty, practicing endocrinologists, medical students, fellows, residents, advanced practice providers, and others interested in pediatric endocrinology.

QUESTIONS

For further questions, please contact PES Headquarters at (703) 884-9781 or email info@pedsendo.org. Make sure to visit our website at www.pedsendo.org for complete Annual Meeting details and updates.
