President's Welcome

Dear Colleagues and Friends,

It is with great pleasure that I extend a warm invitation on behalf of the Pediatric Endocrine Society to join us at the 2024 Annual Meeting, scheduled to take place from May 2-5, 2024, in the vibrant city of Chicago, Illinois. This exclusive event is dedicated to Pediatric Endocrinology and will showcase a compelling lineup of plenary lectures, symposia, meet-the-professor sessions, spark sessions, and more.

We are enthusiastic about the prospect of bringing together a distinguished gathering of clinicians, researchers, and trainees for a dynamic exchange of ideas and the exploration of new knowledge within our diverse specialty. Your presence would be a tremendous honor, and we are confident that your participation will contribute to the intellectual vibrancy of this exciting event.

We eagerly anticipate your involvement in what promises to be a stimulating, enriching and fun conference.

Looking forward to welcoming you in May!

Best regards,

A handwritten signature in black ink that reads "Thomas O. Carpenter, MD". The signature is written in a cursive, flowing style.

The Pediatric Endocrine Society (PES) invites you to participate in the 2024 Annual Meeting: **Discover, Innovate, Connect**, which will be held May 2-5 at the Sheraton Grand Riverwalk in Chicago, IL. The Annual Meeting is designed for anyone passionate about advancing and advocating for the endocrine health and well-being of children and adolescents.

Annual Meeting Objectives

- Identify novel diagnostic and therapeutic tools available for optimizing care of children with diabetes and endocrinologic disorders.
- Highlight scientific discoveries and clinical updates necessary for pediatric endocrinologists to provide evidence-based comprehensive care.
- Gain insight into the changing landscape of clinical practice, career development, and professional advancement.

Who Should Attend

PES members, other endocrine researchers, faculty, practicing endocrinologists, medical students, fellows, residents, advanced practice providers, and others interested in pediatric endocrinology.

Continuing Education Credit

Joint Accreditation Statement In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Pediatric Endocrine Society. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. **Physicians (ACCME) Credit Designation** Amedco LLC designates this live activity for a maximum of TBD AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
